Worldwide

www.ispor.org
ISPOR is an international, multistakeholder, nonprofit dedicated to advancing health economics and outcomes research excellence to improve decision making for health globally.
ISPOR’s strategic plan focuses on the Society’s ongoing commitment to strengthen the integrity, advancement, and understanding of HEOR globally.
Global Engagement

The Society’s consortia, networks, and chapters develop HEOR at the local and regional level through regional conferences, newsletters, research, educational programs, and *Value in Health Regional Issues*.
